"In the 7-S Framework the effective organizational **change is driven by 7-Ss**. What Ss will you need today?"

BSCDesigner.com

How to use this 7-S framework?

What do all elements **mean** and **how to use** them?

Do you need some **examples**?

More information about 7-S in the article:
http://www.bscdesigner.com/?p=7886

Also, on www.BSCDesigner.com we have a set of products for these who going implement the Balanced Scorecard

7-S Framework

Original 7-S framework was introduced in "Structure is not organization", Business Horizons (1980, June).
